

A Biblical Foundation

Providence Christian Academy is committed to an educational philosophy which is not after the traditions of men, or the principles of this world, but after Christ, in whom are hidden all the treasures of wisdom and knowledge (Colossians 2:8). Christian education means that Christ is central to education. Consequently, my educational theory, methods, and practice must be built upon Christ as their cornerstone. Because there is only one God and one Christ, there is only one truth. I believe that this truth must be the center and criterion of Christian education.
