

Mrs. Bascom – History/Math

Mrs. Bascom's faculty page.

abascom@pcalions.org

It's hard to believe that the summer is over and it's time for a new school year to begin. We have much to praise the Lord for this year with a new building, new staff members and new students. I am looking forward to meeting each new student and their parents as well as greeting returning students. We have many exciting things in store for us and our students in each subject. This year in history, middle school will be focusing on world history; ninth and tenth grades on world geography, and eleventh and twelfth grades on American government.

We are looking forward to a good year. Pray for each teacher and your children as we come to class each day.
