It seems as if just yesterday I was writing that the summer was over and a new school year was beginning, but now I'm writing that the school year is over. I don't know where the time has gone. We had a good year. The students for the most part were diligent in their studies, enjoyed various field trips, performed amazingly in the Christmas and Spring concerts, and are now ready for the summer to relax and prepare for another year ahead. As we look forward to preparing for the next school year, we have new teachers, new students and new adventures ahead of us. Looking forward to it all.
