

Mr. Rhinehart – PE

Welcome to PE at Providence Christian Academy. I am blessed to have the opportunity to teach Physical Education K-12 here at PCA.

PE consists of education through a physical concept. I aim to develop students' physical competence and knowledge of movement and safety, and their ability to use these to perform a wide range of activities associated with the development of an active and healthy lifestyle.

Students 6-12 must come to PE in the proper attire. Order forms will be sent home the first week of school for PE Uniforms and approved items. Students must actively participate in the days activity. Grading is based on proper dress (6-12), proper shoes, effort, positive attitude and participation.

I am looking forward to another year of organizing games and challenges that promote physical activity for our youth.
