

Mrs. Wall 4th Grade

Aloha 4th Graders!

“Let the words of my mouth and the meditation of my heart be acceptable in Your sight, O Lord, my strength and my Redeemer.”

~ Psalm 19:14

I pray you have all had a fun and blessed summer! I am excited to be surfing into 4th grade with you this fall! We will be strengthening our walk with our Lord and Savior as we dive deeper into His Word learning about God and His people. Reading will take us on lots of adventures as we expand our vocabulary and literacy abilities. We might even step through a wardrobe together. Science, Math, and English/Writing await us, and I am ecstatic to journey through our nation's history as we ride the waves of American History this year.

How can you make sure you are conditioned and ready to jump on your 4th grade surf board? Read, read, READ! Dust the dust off a book or two in the next couple of weeks. Shake a few cob webs from your multiplication and division facts. This is going to be a great year!

I look forward to meeting you!
