

# 4th Grade

1 Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares *us*, and let us run with endurance the race that is set before us, <sup>2</sup> looking unto Jesus, the author and finisher of *our* faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God.

Hebrews 12:1-2

## Welcome to your new year, 4th grade families!

Your learner will work hard this year!

We will have a new spelling list and Bible verse every week. In math we will master the multiplication tables! We will review and learn more measurements, and practice word problems. Remember: in math, repetition is key! In English we will learn the eight parts of speech, diagramming, book reports, and other special projects. History will be filled with the discovery and formation of America, and science will teach us all about the world we live in! We will work hard to

gain fluency, expression, and comprehension through daily reading, and we will practice the art of penmanship. Your students will also enjoy art, PE, music class, and field trips!

Please be sure to see your student's monthly test and quiz calendar at the beginning of each new month. **Please remind your child to study every night what they have learned that day! This will greatly benefit their overall learning, and teach them how to study more appropriately. Thanks for your assistance!**

**Let's run through our 2018-2019 school year with the power that only Jesus can give!**

\*\*Please contact me through the Remind app with any questions or concerns. Although I will answer as quickly as possible, please try to keep between my "school brain" hours! (6:00AM-6:00PM)

\*\*You may also email me at [SSisler@pcalions.org](mailto:SSisler@pcalions.org)
