

Volunteers

Volunteers are essential to advancing the cause of **Providence Christian Academy** and keeping educational costs affordable. This page provides a list of our current volunteer work opportunities. We rely substantially on volunteer work of students, parents, staff and faculty, and PCA partners at school, at athletic events, at fund-raising events, to operate and maintain our facilities, and in many other ways. Join us in the joy of supporting the work of PCA!

Current Volunteer Needs

Currently we have a need in the Pre-K3 and Pre-K4 classroom. Miss. Miles needs some help during the morning hours. If you are a parent that can volunteer consistently once or twice a week please see Miss. Miles.

Substitute Volunteer Teachers are needed.
