

Athletics

Providence Christian Academy (PCA) provides a "whole education" for the heart, mind, body, and spirit of our students and accomplishes this goal through their programs in academics, music, athletics, and spiritual disciplines based on the inerrancy of the Bible.

PCA Physical Education and Athletic Activities help to develop the bodies of PCA students, leading to good health, physical fitness, and the discipline of overcoming physical and mental challenges.

Athletic Activities

PCA currently has the following sport teams:

- – Soccer
- – Girls Volleyball
- – Boys and Girls Basketball
